

**MEDIA ALERT**  
FOR IMMEDIATE RELEASE  
August 5, 2019

## Portion of Streetcar Line will be Temporarily Suspended, Due to Maintenance Track Repairs

*Deteriorating Asphalt Along St. Charles Streetcar Line*

**What:** In order to restore the deteriorating asphalt along the St. Charles Streetcar tracks, the streetcar will only run between Napoleon and Howard Avenues, until repairs are completed. Shuttle bus service will be provided for all remaining parts of the line.

This is the second maintenance project on the St. Charles Streetcar line, underway this summer. Work to replace the Overhead Catenary System (OCS) poles for a portion of the route began, last month.

**When:** Monday, August 5<sup>th</sup> · 8 AM  
Maintenance repairs are expected to be completed by late fall

**Where:** #12 – St. Charles Streetcar line
