Portion of St. Charles Line Will Temporarily Close for Pole Repairs

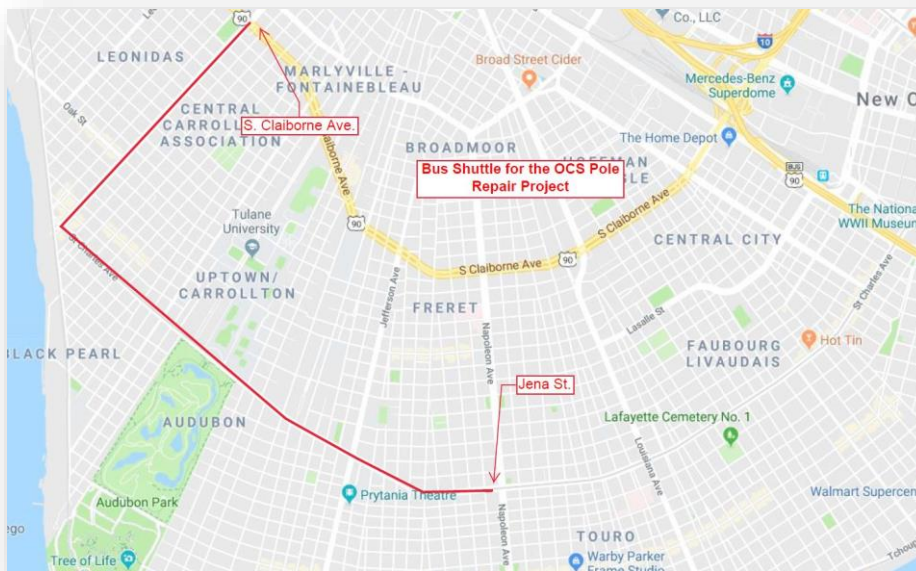

Corrosion on base of poles

What: Due to corrosion, 15 of the St. Charles Streetcar’s Overhead Catenary System (OCS) poles must be replaced. For the safety of RTA passengers, operators, and work crews, a portion of the St. Charles Streetcar line will be closed. The repair work is not expected to affect traffic, and bus service will be provided for this portion of the line.

When: Partial line closure begins at 5:00am • Monday, July 15th
Repairs expected to be completed in mid-September

Where: #12 St. Charles Streetcar Line will be closed from S. Carrollton Ave. and Claiborne Ave. to St. Charles Ave. and Jena St.
