

DBE/SBE OPPORTUNITY CONFERENCE

for Disadvantaged and Small Business Enterprises

The New Orleans Regional Transit Authority has over \$30 million in open contracts for the capital program and we are anticipating awarding over \$50 million on upcoming projects within the next several months. To ensure that disadvantaged and small businesses have access to the economic opportunity these projects afford, the RTA is hosting an Opportunity Conference to provide information on upcoming projects:

- Downtown Transit Center Design/Engineering
- Passenger Facilities (Mobility Hubs) Design
- Universal Shelter Design
- Bus Rapid Transit (BRT) Environmental/Preliminary Engineering
- Capital Project Management/Construction Management
- On-Call Service Planning
- Sign and Pole Sign Installation
- Professional Architectural and Engineering On-Call Services
- Exclusive Right to Market Advertising Space on RTA Buses, Streetcars, Ferries and Ferry Terminals

Please take advantage of this opportunity to get information about these upcoming projects, as well as information about the DBE/ SBE program and the procurement process.

Please bring your business cards as prime contractors and subcontractors will be able to meet and greet.
