## How To Use The Mardi Gras Guide

Check the parade schedule to identify the dates and times of the parades, and the day's transit detours. Use the detour pattern (Uptown, Endymion, etc.) for each parade in the parade table to determine where to board your bus or streetcar. During parades, plan more time for your trip.

Detours are subject to change. Visit [norta.com/servicealerts](http://norta.com/servicealerts) for the most up-to-date detours and delays.

If you need assistance or have questions, contact Rideline at 504-248-3900 or send an email to [comments@norta.com](mailto:comments@norta.com).

### General Detour Information

**St. Charles Streetcar detours start four hours before the Uptown parades begin. All bus and other streetcar detours start two hours before parades begin. Detours will remain in place until parade route is cleared.**

Bus service not impacted by parades will be on their regular routes. Remember that increased traffic and pedestrian movements may delay a bus route even if there is no direct impact due to a parade.

Bus and streetcar service will operate on a weekend schedule Mardi Gras day. For additional detour and delay information, visit [norta.com/mardigras](http://norta.com/mardigras).

### Canal-Algiers Point Ferry

The Algiers Point Ferry operates extended hours during Mardi Gras and will operate on demand during peak traffic hours.
