RTA CEO Embarks on a Listening Tour

RTA CEO will visit various locations throughout the metropolitan area to hear riders concerns.

New Orleans, LA – Alex Z. Wiggins, CEO of New Orleans Regional Transit Authority (RTA) will embark on a Listening Tour to introduce himself to the community and to hear people’s thoughts, ideas, and concerns about public transit service in New Orleans.

This initiative is part of final phase of Alex Wiggins’ larger 100 Day Plan which has served to chart the course for his first 100 days at the helm of RTA. The central theme of the plan is *connecting with people* in four key areas: operations, staff, leadership and the community.

The first Listening Session kicks off this evening at 5:30pm at the Mid-City Library. A full list of the most up-to-date locations can be found [here](#). The sessions will allow riders to share their thoughts, concerns, and ideas. Sessions will include a brief introduction and open to a Q & A forum.
