The contract price shall include all equipment, materials, supplies, accessories, manuals, warranty coverage, delivery, freight, transportation, handling, and all other costs necessary to furnish and deliver the Portable Material Screener in accordance with the specifications and requirements of this IFB. No additional charges shall be permitted unless expressly authorized in writing by RTA.

 - b. **Confidential Information, Trade Secrets, and Proprietary Information.**
 - i. The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of the proposal. The financial proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.
 - ii. For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44:1 *et. seq.*) shall be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection.

“The data contained in pages ____ of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this

17. PRIVACY REQUIREMENTS

- a. The following requirements apply to the Contractor and its employees that administer any system of records on behalf of the Federal Government under any contract:
 - i. The Contractor understands that the requirements of the Privacy Act, including the civil and criminal penalties for violation of that Act, apply to those individuals involved, and that failure to comply with the terms of the Privacy Act may result in termination of the underlying contract.
 - ii. The Contractor also agrees to include these requirements in each subcontract to administer any system of records on behalf of the Federal Government financed in whole or in part with Federal assistance provided by FTA.

18. INDEMNIFICATION

- a. **In general.** To the fullest extent permitted by law, Contractor waives, releases, indemnifies, defends, and holds harmless RTA, its agents, employees, officials, insurers, self-insurance funds, and assigns (collectively, the "Indemnified Parties") from and against any and all claims, demands, suits, and judgments of sums of money accruing against the Indemnified Parties: for loss of life, injury, or damage to persons or property arising from or relating to any act, omission, or the operations of the Contractor, its agents, subcontractors, or employees while engaged in or in connection

with the discharge or performance of any work under this Contract; and for any and all claims and/or liens for labor, services, or materials furnished to the Contractor in connection with the performance of work under this Contract.

- b. **Limitation.** Contractor's indemnity does not extend to any loss arising from the negligence, gross negligence, or willful misconduct of any of the Indemnified Parties, provided that neither the Contractor nor any of its agents, subcontractors, or employees contributed to such negligence, gross negligence, or willful misconduct.
- c. **Independent Duty.** Contractor has an immediate and independent obligation to, at the RTA's option: (a) defend RTA from or (b) reimburse RTA for its costs incurred in the defense of any claim that actually or potentially falls within this indemnity, even if: (i) the allegations are or may be groundless, false, or fraudulent; or (ii) the Contractor is ultimately absolved from liability.
- d. **Expenses.** Notwithstanding any provision to the contrary, the Contractor shall bear the expenses including, but not limited to, the RTA's reasonable attorneys' fees, lay and expert witness fees, court costs, and any similar expenses, incurred by RTA in enforcing this indemnity.

19. **PERFORMANCE.** Contractor shall perform all work diligently, carefully and in a good and workmanlike manner and shall furnish all labor, supervision, machinery, equipment, materials, and supplies necessary. Contractor shall obtain and maintain all permits and licenses required by public authorities in connection with performance of the work, and, if permitted to subcontract, shall be fully responsible for all work performed by subcontractors. Contractor shall conduct all operations in Contractor's own name and as an independent contractor, and not in the name of, or agent for, RTA.

20. INDEPENDENT CONTRACTOR

R.S. 23:1472(12)(E), and neither the Contractor nor anyone employed by it will be considered an employee of RTA for the purpose of unemployment compensation coverage, which coverage is being hereby expressly waived and excluded by the parties, because: (a) the Contractor has been and will be free from any

control or direction by RTA over the performance of the services covered by this Contract; (b) the services to be performed by the Contractor are outside the normal course and scope of RTA's usual business; and (c) the Contractor has been independently engaged in performing the services required under this Contract prior to the date of this Contract.

For any international shipments, Contractor shall be both the importer and exporter of record and shall obtain and pay for all necessary governmental approvals and permits with respect to shipments under this Order. If instructed by RTA, the Contractor shall deliver any software or data products by electronic transmission.

- 24. **RISK OF LOSS.** Contractor shall bear all risk of loss on items covered by the Contract until final acceptance by RTA, at the destination specified on the face of the Contract, except for loss occasioned solely by the negligence of RTA. Any "F.O.B." designation does not vary the foregoing risk of loss provisions. Contractor shall replace any lost or damaged media containing licensed software or data upon request at a price not exceeding the reasonable cost of media duplication, packaging, and shipping.

- 25. **ACCEPTANCE.** Within 7 days after delivery, the RTA, its agents, or assigns will conduct acceptance inspection. Acceptance shall be conditioned upon satisfactory results of such inspection, promptly communicated in writing to the Contractor.

Waiver of Subrogation

Contractor hereby grants to Entity a waiver of any right to subrogation which any insurer of said Contractor may acquire against the Entity by virtue of payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether the Entity has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions

Self-insured retentions must be declared to and approved by the Entity. The Entity may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Entity.

Acceptability of Insurers

Insurance is to be placed with insurers authorized to conduct business in the state of Louisiana with a current A.M. Best's rating of no less than A: VII, unless otherwise acceptable to the Entity.

Claims Made Policies (note: should apply only to professional liability; see below)

If any of the required policies provide claims-made coverage:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained, and evidence of insurance must be provided **for at least five (5) years after completion of the contract of work.**

3. If coverage is canceled or non-renewed and not replaced **with another claims-made policy form with a Retroactive Date prior to** the contract effective date, the Contractor must purchase “extended reporting” coverage for a minimum of **five (5) years** after completion of work.

Verification of Coverage

Contractor shall furnish the Entity with original certificates and amendatory endorsements or copies of the applicable policy language affecting coverage required by this clause. All documents are to be received and approved by the Entity before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor’s obligation to provide them. The Entity reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Special Risks or Circumstances

Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Note to User: Professional liability insurance coverage is normally required if the Contractor is providing a professional service regulated by the state. (Examples of service providers regulated by the state are insurance agents, professional architects and engineers, doctors, certified public accountants, lawyers, etc.). However, other professional Contractors, such as computer or software designers, and service providers such as claims administrators, should also have professional liability. If in doubt, consult with your risk management or insurance advisors.
